## Product Datasheet

### Mouse BAFF / TNFSF13B / CD257 Protein, Mouse IgG2a Fc Tag, low endotoxin, Unconjugated, Human ABS-BAF-M5257-1MG

|                            |                                                                                                                                                                                                                                                               |

| Host                       | Human                                                                                                                                                                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                                         |
| Conjugation                | Unconjugated                                                                                                                                                                                                                                                  |
| Product Description        | Bcell activating factor (BAFF) is also known as tumor necrosis factor ligand superfamily member 13B , TNFSF13B, BAFF, B Lymphocyte Stimulator (BLyS) , cluster of differentiation 257 (CD257), DTL, TNF and APOLrelated leukocyte expressed ligand (TALL1)... |
| Molecular Weight           | 47.7 kDa                                                                                                                                                                                                                                                      |
| Tag                        | N-mFc(mIgG2a)                                                                                                                                                                                                                                                 |
| NCBI                       | <a href="#">9</a>                                                                                                                                                                                                                                             |
| Buffer                     | 50 mM Tris, 100 mM Glycine, pH7.5                                                                                                                                                                                                                             |
| Expression System          | Ala 127 - Leu 309                                                                                                                                                                                                                                             |
