| Manufacturer               | Biorbyt                                                                                                                                                                                          |
| Category                   | Proteine/Peptide                                                                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                                                                            |
| Product Description        | Recombinant Human CDH1 with C-terminal human Fc tag...                                                                                                                                           |
| Molecular Weight           | The protein has a predicted molecular mass of 101.6 kDa after removal of the signal peptide. The apparent molecular mass of CDH1-hFc is approximately 100-130 kDa due to glycosylation.          |
| UniProt                    | <a href="#">P12830</a>                                                                                                                                                                           |
| Buffer                     | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions.                   |
| Purity                     | The purity of the protein is greater than 95% as determined by SDS-PAGE and Coomassie blue staining.                                                                                             |
| Form                       | Lyophilized from sterile PBS, pH 7.4. Normally 5 % - 8% trehalose is added as protectants before lyophilization. Please see Certificate of Analysis for specific instructions of reconstitution. |
| Target                     | CDH1                                                                                                                                                                                             |
