| Manufacturer               | Biorbyt                                                                                                                                                                                                                      |
| Category                   | Proteine/Peptide                                                                                                                                                                                                             |
| Product Description        | SARS-CoV-2 Nucleocapsid Protein, E.coli...                                                                                                                                                                                   |
| Form                       | Lyophilized                                                                                                                                                                                                                  |
| Application Notes          | Application Notes: It is recommended to reconstitute the lyophilized protein in sterile H2O to a concentration not less than 100 µg/mL and incubate the stock solution for at least 20 min to ensure sufficient re-dissolved |
