| Article Name               | SARS-CoV-2 (COVID-19) NSP16 Antibody, Unconjugated, Polyclonal |
| Biozol Catalog Number      | BYT-ORB1274118                                                 |
| Supplier Catalog Number    | orb1274118                                                     |
| Alternative Catalog Number | BYT-ORB1274118-0.1                                             |
| Manufacturer               | Biorbyt                                                        |
| Category                   | Antikörper                                                     |
| Application                | WB                                                             |
| Species Reactivity         | Virus                                                          |
| Immunogen                  | GST-SARS-CoV2 NSP16                                            |
| Conjugation                | Unconjugated                                                   |
| Product Description        | SARS-CoV-2 (COVID-19) NSP16 Antibody...                        |
| Clonality                  | Polyclonal                                                     |
| Concentration              | batch dependent                                                |
| UniProt                    | <a href="#">P0DTC1</a>                                         |
| Buffer                     | Antibody supplied in PBS.                                      |
| Form                       | Liquid                                                         |
| Target                     | ORF1ab                                                         |

|                   |                                                                                                                                                                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | Application Notes: Detection Antibodies: 1 µg/ml Ab, 5% BSA in TBS-T, 4°C overnight Blocking: 5% milk in TBS-T, 1h room temp<br>Secondary Antibodies: 1:15,000 donkey anti-sheep, 1:15,000 donkey anti-rabbit, in TBS-T, 1h room temp Wash: TBS-T, 4x 10 min |
