| Article Name               | SARS-CoV-2 (COVID-19) NSP5 Antibody, Unconjugated, Polyclonal |
| Biozol Catalog Number      | BYT-ORB1274128                                                |
| Supplier Catalog Number    | orb1274128                                                    |
| Alternative Catalog Number | BYT-ORB1274128-0.1                                            |
| Manufacturer               | Biorbyt                                                       |
| Category                   | Antikörper                                                    |
| Application                | WB                                                            |
| Species Reactivity         | Virus                                                         |
| Immunogen                  | GST-SARS-CoV2 NSP5                                            |
| Conjugation                | Unconjugated                                                  |
| Product Description        | SARS-CoV-2 (COVID-19) NSP5 Antibody...                        |
| Clonality                  | Polyclonal                                                    |
| Concentration              | batch dependent                                               |
| UniProt                    | <a href="#">P0DTC1</a>                                        |
| Buffer                     | Antibody supplied in PBS.                                     |
| Form                       | Liquid                                                        |
| Target                     | ORF1ab                                                        |

|                   |                                                                                                                                                                                                                                                              |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | Application Notes: Detection Antibodies: 1 µg/ml Ab, 5% BSA in TBS-T, 4°C overnight Blocking: 5% milk in TBS-T, 1h room temp<br>Secondary Antibodies: 1:15,000 donkey anti-sheep, 1:15,000 donkey anti-rabbit, in TBS-T, 1h room temp Wash: TBS-T, 4x 10 min |
