| Biozol Catalog Number      | BYT-ORB1290027                                                                                                           |
| Supplier Catalog Number    | orb1290027                                                                                                               |
| Alternative Catalog Number | BYT-ORB1290027-100                                                                                                       |
| Manufacturer               | Biorbyt                                                                                                                  |
| Host                       | Rabbit                                                                                                                   |
| Category                   | Antikörper                                                                                                               |
| Application                | ELISA, FC, IHC, WB                                                                                                       |
| Species Reactivity         | Human                                                                                                                    |
| Immunogen                  | E.coli-derived human Aurora A/AURKA recombinant protein (Position: K23-S403).                                            |
| Conjugation                | Unconjugated                                                                                                             |
| Product Description        | Anti-Aurora A/AURKA Antibody. Tested in ELISA, Flow Cytometry, IHC, WB applications. This antibody reacts with Human.... |
| Clonality                  | Polyclonal                                                                                                               |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                |
| Molecular Weight           | 46 kDa                                                                                                                   |
| UniProt                    | <a href="#">O14965</a>                                                                                                   |

|                   |                                                                                                                                                                                                                                                                                          |
|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Lyophilized                                                                                                                                                                                                                                                                              |
| Target            | Hemoglobin subunit alpha                                                                                                                                                                                                                                                                 |
| Application Notes | Application Notes: Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5 µg/ml, -. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml |
