| Category                   | Proteine/Peptide                                                                                                                                    |
| Product Description        | This product is 2019-nCoV nucleocapsid phosphoprotein Antibody Blocking Peptide. It targets Nucleoprotein. Purification is performed using HPLC.... |
| Target                     | Nucleoprotein                                                                                                                                       |
