| Manufacturer               | Biorbyt                                                                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                                                                   |
| Application                | Blocking                                                                                                                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                  |
| Product Description        | The peptide is used to block Anti-Neuromedin B Antibody (orb215497) reactivity....                                                                                                                 |
| UniProt                    | <a href="#">Q9CR53</a>                                                                                                                                                                             |
| Purity                     | >85%                                                                                                                                                                                               |
| Form                       | Lyophilized powder                                                                                                                                                                                 |
| Application Notes          | Application Notes: Blocking Peptide to the diluted primary antibody in a molar ratio of 10:1 (peptide to antibody) and incubate the mixture at 4C for overnight or at room temperature for 2 hours |
