| Alternative Catalog Number | BYT-ORB595135-1,BYT-ORB595135-100,BYT-ORB595135-20                                                                                                                                                                                 |
| Manufacturer               | Biorbyt                                                                                                                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                                                                                                                   |
| Product Description        | This Mouse Tmprss6 protein spans the amino acid sequence from region 81-811aa. Purity: Greater than 85% as determined by SDS-PAGE....                                                                                              |
| Molecular Weight           | 86.1 kDa                                                                                                                                                                                                                           |
| UniProt                    | <a href="#">Q9DBIO</a>                                                                                                                                                                                                             |
| Buffer                     | If the delivery form is liquid, the default storage buffer is Tris/PBS-based buffer, 5%-50% glycerol. If the delivery form is lyophilized powder, the buffer before lyophilization is Tris/PBS-based buffer, 6% Trehalose, pH 8.0. |
| Source                     | Mus musculus (Mouse)                                                                                                                                                                                                               |
| Purity                     | Greater than 85% as determined by SDS-PAGE.                                                                                                                                                                                        |
| Form                       | Liquid or Lyophilized powder                                                                                                                                                                                                       |

|                   |                                                                                                                                                                                                                                                                                  |
