| Alternative Catalog Number | BYT-ORB463822-100                                                      |
| Manufacturer               | Biorbyt                                                                |
| Host                       | Mouse                                                                  |
| Category                   | Antikörper                                                             |
| Application                | IF                                                                     |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | Recombinant human AD7C NTP full length protein                         |
| Conjugation                | FITC                                                                   |
| Product Description        | AD7c-NTP Mouse Monoclonal Antibody (FITC)...                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1mg/ml                                                                 |
| Clone Designation          | [4E7]                                                                  |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol. |
| Target                     | AF010144.1                                                             |
| Application Dilute         | IF=1:100-500                                                           |
