| Alternative Catalog Number | BYT-ORB472284-100                                                                                    |
| Manufacturer               | Biorbyt                                                                                              |
| Host                       | Rabbit                                                                                               |
| Category                   | Antikörper                                                                                           |
| Application                | ELISA, IHC-Fr, IHC-P                                                                                 |
| Immunogen                  | KLH conjugated synthetic peptide derived from Influenza A Polymerase basic protein 2 (681-759/759aa) |
| Conjugation                | HRP                                                                                                  |
| Product Description        | Influenza A Polymerase basic protein 2 Rabbit Polyclonal Antibody (HRP)...                           |
| Clonality                  | Polyclonal                                                                                           |
| Concentration              | 1mg/ml                                                                                               |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                               |
| Target                     | PB2                                                                                                  |
| Application Dilute         | IHC-P=1:100-500, IHC-F=1:100-500, ELISA=1:500-5000                                                   |
