| Manufacturer               | Biorbyt                                                                                            |
| Host                       | Rabbit                                                                                             |
| Category                   | Antikörper                                                                                         |
| Application                | FC, IP, WB                                                                                         |
| Species Reactivity         | Human                                                                                              |
| Immunogen                  | A synthesized peptide derived from human FGF2                                                      |
| Conjugation                | Unconjugated                                                                                       |
| Product Description        | FGF2 Rabbit pAb...                                                                                 |
| Clonality                  | Polyclonal                                                                                         |
| Molecular Weight           | Calculated MW: 31 kDa, Observed MW: 31 kDa                                                         |
| UniProt                    | <a href="#">P09038</a>                                                                             |
| Buffer                     | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol. |
| Form                       | Liquid                                                                                             |
| Application Dilute         | WB: 1/500-1/1000 IP: 1/50 FC: 1/50-1/100                                                           |
