| Host                       | Rabbit                                                                                                             |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | ELISA                                                                                                              |
| Species Reactivity         | Other                                                                                                              |
| Product Description        | SARS-CoV-2 Mu B.1.621 Variant Recombinant Spike Trimer His Tag...                                                  |
| Concentration              | 0.5 mg/mL                                                                                                          |
| Clone Designation          | [COV2-Mu]                                                                                                          |
| Buffer                     | 1X PBS, 0.025% NaN3                                                                                                |
| Form                       | Liquid                                                                                                             |
| Application Dilute         | Control antigen for SARS-CoV-2 (COVID-19) diagnostic assays.<br>Contains C-terminal His tag used for purification. |
