| Article Name               | Poliovirus Receptor/PVR Antibody, Unconjugated, Rabbit, Polyclonal                                                |
| Biozol Catalog Number      | BYT-ORB745914                                                                                                     |
| Supplier Catalog Number    | orb745914                                                                                                         |
| Alternative Catalog Number | BYT-ORB745914-100                                                                                                 |
| Manufacturer               | Biorbyt                                                                                                           |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | ELISA, WB                                                                                                         |
| Species Reactivity         | Mouse, Rat                                                                                                        |
| Immunogen                  | E.coli-derived mouse Poliovirus Receptor/PVR recombinant protein (Position: R24-R345).                            |
| Conjugation                | Unconjugated                                                                                                      |
| Product Description        | Anti-Poliovirus Receptor/PVR Antibody. Tested in ELISA, WB applications. This antibody reacts with Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                         |
| Molecular Weight           | 60-80 kDa                                                                                                         |
| UniProt                    | <a href="#">Q91WP1</a>                                                                                            |

|                   |                                                                                                                                                        |
|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Lyophilized                                                                                                                                            |
| Application Notes | Application Notes: Western blot, 0.25-0.5µg/ml, Mouse, Rat ELISA, 0.1-0.5µg/ml, -. Add 0.2ml of distilled water will yield a concentration of 500ug/ml |
