| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Application                | FC, IF                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                      |
| Immunogen                  | KLH conjugated Synthesised phosphopeptide derived from human CDKN1A around the phosphorylation site of Thr145 RQ(p-T)S |
| Conjugation                | PE/Cy7                                                                                                                 |
| Product Description        | Phospho-CDKN1A/p21 (Thr145) Rabbit Polyclonal Antibody (PE-Cy7)...                                                     |
| Clonality                  | Polyclonal                                                                                                             |
| Concentration              | 1mg/ml                                                                                                                 |
| UniProt                    | <a href="#">P38936</a>                                                                                                 |

|                    |                                                                        |
|--------------------|------------------------------------------------------------------------|
| Buffer             | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol. |
| Target             | CDKN1A                                                                 |
| Application Dilute | Flow-Cyt=3ug/Test, IF=1:100-500                                        |
| Application Notes  | Modification: Phosphorylated                                           |
