| Article Name               | Phospho-IKK alpha/beta (Ser176 + Ser180) Rabbit Polyclonal Antibody (Cy5)                                                                      |
| Biozol Catalog Number      | BYT-ORB901673                                                                                                                                  |
| Supplier Catalog Number    | orb901673                                                                                                                                      |
| Alternative Catalog Number | BYT-ORB901673-100                                                                                                                              |
| Manufacturer               | Biorbyt                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                     |
| Application                | FC, ICC, IF                                                                                                                                    |
| Species Reactivity         | Human, Mouse                                                                                                                                   |
| Immunogen                  | KLH conjugated synthesised phosphopeptide derived from human IKK alpha/beta around the phosphorylation site of Ser176/Ser180 QG(p-S)LCT(p-S)FV |
| Conjugation                | Cy5                                                                                                                                            |
| Product Description        | Phospho-IKK alpha/beta (Ser176 + Ser180) Rabbit Polyclonal Antibody (Cy5)...                                                                   |
| Clonality                  | Polyclonal                                                                                                                                     |
| Concentration              | 1mg/ml                                                                                                                                         |
| UniProt                    | <a href="#">O15111</a>                                                                                                                         |

|                    |                                                                        |
|--------------------|------------------------------------------------------------------------|
| Buffer             | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol. |
| Target             | CHUK                                                                   |
| Application Dilute | Flow-Cyt=1ug/Test, IF=1:100-500, ICC/IF=1:100-500                      |
| Application Notes  | Modification: Phosphorylated                                           |
