### Prohibitin Rabbit Polyclonal Antibody (Cy5) BYT-ORB909285

|                            |                                                                                |
|----------------------------|--------------------------------------------------------------------------------|
| Article Name               | Prohibitin Rabbit Polyclonal Antibody (Cy5)                                    |
| Biozol Catalog Number      | BYT-ORB909285                                                                  |
| Supplier Catalog Number    | orb909285                                                                      |
| Alternative Catalog Number | BYT-ORB909285-100                                                              |
| Manufacturer               | Biorbyt                                                                        |
| Host                       | Rabbit                                                                         |
| Category                   | Antikörper                                                                     |
| Application                | FC, ICC, IF                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                              |
| Immunogen                  | KLH conjugated synthetic peptide derived from human Prohibitin (171-272/272aa) |
| Conjugation                | Cy5                                                                            |
| Product Description        | Prohibitin Rabbit Polyclonal Antibody (Cy5)...                                 |
| Clonality                  | Polyclonal                                                                     |
| Concentration              | 1mg/ml                                                                         |
| UniProt                    | <a href="#">P35232</a>                                                         |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.         |
| Target                     | PHB                                                                            |

Application Dilute

IF=1:100-500, ICC/IF=1:100-500, Flow-Cyt=1ug/test
