| Alternative Catalog Number | BYT-ORB913987-100                                                                     |
| Manufacturer               | Biorbyt                                                                               |
| Host                       | Rabbit                                                                                |
| Category                   | Antikörper                                                                            |
| Application                | ICC, IF                                                                               |
| Immunogen                  | KLH conjugated synthetic peptide derived from human H3N2 Matrix Protein 2 (2-50/97aa) |
| Conjugation                | PE/Cy5                                                                                |
| Product Description        | H3N2 Matrix Protein 2 Rabbit Polyclonal Antibody (PE-Cy5)...                          |
| Clonality                  | Polyclonal                                                                            |
| Concentration              | 1mg/ml                                                                                |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                |
| Target                     | PB2                                                                                   |
| Application Dilute         | ICC/IF=1:50-200, IF=1:100-500                                                         |
