### RGLG4 Antibody, Unconjugated, Rabbit, Polyclonal BYT-ORB795283

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | RGLG4 Antibody, Unconjugated, Rabbit, Polyclonal                            |
| Biozol Catalog Number      | BYT-ORB795283                                                               |
| Supplier Catalog Number    | orb795283                                                                   |
| Alternative Catalog Number | BYT-ORB795283-2                                                             |
| Manufacturer               | Biorbyt                                                                     |
| Host                       | Rabbit                                                                      |
| Category                   | Antikörper                                                                  |
| Application                | ELISA, WB                                                                   |
| Species Reactivity         | A. thaliana                                                                 |
| Immunogen                  | A synthesized peptide derived from Escherichia coli O9:H4 (strain HS) norR. |
| Conjugation                | Unconjugated                                                                |
| Product Description        | RGLG4 Antibody...                                                           |
| Clonality                  | Polyclonal                                                                  |
| UniProt                    | <a href="#">Q9SALO</a>                                                      |
| Buffer                     | Preservative: 0.03% Proclin 300. Constituents: 50% Glycerol                 |
| Form                       | Liquid                                                                      |
| Target                     | RGLG4                                                                       |

|                   |                                                                                                                                                                     |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Notes | 1. Antibody purity > 90% confirmed by SDS-PAGE, 2. Antibody titer > 1: 64,000 confirmed by ELISA, 3. WB (positive for the antigen / recombinant immunogen protein). |
|-------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
