| Buffer                     | Lyophilized powder                                                                                                                                                                                                                                                                      |
| Form                       | Lyophilized powder                                                                                                                                                                                                                                                                      |
| Sequence                   | YQVTMKTAKVAASDWTFLHCLPRKP EEVDDEVFYSPRSLVFPEAENRKWT                                                                                                                                                                                                                                     |
| Application Notes          | Application Notes: This is a synthetic peptide designed for use in combination with Otc Rabbit Polyclonal Antibody (orb578206). It may block above mentioned antibody from binding to its target protein in western blot and/or immunohistochemistry under proper experimental settings |
