| Buffer                     | Lyophilized powder                                                                                                                                                                                                                                                                        |
| Form                       | Lyophilized powder                                                                                                                                                                                                                                                                        |
| Application Notes          | Application Notes: This is a synthetic peptide designed for use in combination with PLAC9 Rabbit Polyclonal Antibody (orb325379). It may block above mentioned antibody from binding to its target protein in western blot and/or immunohistochemistry under proper experimental settings |
