| UniProt                    | <a href="#">Q9NZJ0</a>                                                                                                                                                                                                                                                                  |
| Buffer                     | Lyophilized powder                                                                                                                                                                                                                                                                      |
| Form                       | Lyophilized powder                                                                                                                                                                                                                                                                      |
| Application Notes          | Application Notes: This is a synthetic peptide designed for use in combination with DTL Rabbit Polyclonal Antibody (orb579730). It may block above mentioned antibody from binding to its target protein in western blot and/or immunohistochemistry under proper experimental settings |
