| UniProt                    | <a href="#">Q9HBU1</a>                                                                                                                                                                                                                                                                    |
| Buffer                     | Lyophilized powder                                                                                                                                                                                                                                                                        |
| Form                       | Lyophilized powder                                                                                                                                                                                                                                                                        |
| Application Notes          | Application Notes: This is a synthetic peptide designed for use in combination with BARX1 Rabbit Polyclonal Antibody (orb574441). It may block above mentioned antibody from binding to its target protein in western blot and/or immunohistochemistry under proper experimental settings |
