| Article Name               | HRG Rabbit Polyclonal Antibody (HRP) Preis auf Anfrage                                              |
| Biozol Catalog Number      | BYT-ORB2123855                                                                                      |
| Supplier Catalog Number    | orb2123855                                                                                          |
| Alternative Catalog Number | BYT-ORB2123855-100                                                                                  |
| Manufacturer               | Biorbyt                                                                                             |
| Host                       | Rabbit                                                                                              |
| Category                   | Antikörper                                                                                          |
| Application                | WB                                                                                                  |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human HRG                |
| Conjugation                | HRP                                                                                                 |
| Product Description        | HRG Rabbit Polyclonal Antibody (HRP)...                                                             |
| Clonality                  | Polyclonal                                                                                          |
| Molecular Weight           | 58kDa                                                                                               |
| NCBI                       | <a href="#">000403</a>                                                                              |
| UniProt                    | <a href="#">P04196</a>                                                                              |
| Buffer                     | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mM phosphate, 150 mM NaCl, pH 7.6. |

|          |                                                                                                            |
|----------|------------------------------------------------------------------------------------------------------------|
| Form     | Liquid. Purified antibody is supplied in high phosphate PBS, 100 mm phosphate, 150 mM NaCl, pH 7.6.        |
| Sequence | Synthetic peptide located within the following region:<br>HHPHKPHEHGPPPPDERDHSHPPLPQGPPPLLPMSCSSCQHATFGTNG |
