| Host                       | Rabbit                                                                                |
| Category                   | Antikörper                                                                            |
| Application                | IF                                                                                    |
| Immunogen                  | KLH conjugated synthetic peptide derived from Duck H9N1 Hemagglutinin (401-500/542aa) |
| Conjugation                | PerCP/Cy5.5                                                                           |
| Product Description        | H9N1 Hemagglutinin Rabbit Polyclonal Antibody (PerCP-Cy5.5)...                        |
| Clonality                  | Polyclonal                                                                            |
| Concentration              | 1mg/ml                                                                                |
| Buffer                     | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol.                |
| Target                     | H9N1 HA                                                                               |
| Application Dilute         | IF=1:100-500                                                                          |
