| Manufacturer               | Biorbyt                                                                                                                                                |
| Host                       | Mouse                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                             |
| Application                | FC, IHC, WB                                                                                                                                            |
| Species Reactivity         | Human, Mouse                                                                                                                                           |
| Immunogen                  | E.coli-derived human Poliovirus Receptor/PVR recombinant protein (Position: D28-E331).                                                                 |
| Conjugation                | iFluor647                                                                                                                                              |
| Product Description        | Anti-Poliovirus Receptor/PVR Antibody (monoclonal, 3B11E9). Tested in Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse.... |
| Clonality                  | Monoclonal                                                                                                                                             |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                              |
| Clone Designation          | [3B11E9]                                                                                                                                               |

|                   |                                                                                                                                                                                                                                                                         |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Molecular Weight  | 70-80 kDa                                                                                                                                                                                                                                                               |
| UniProt           | <a href="#">P15151</a>                                                                                                                                                                                                                                                  |
| Form              | Lyophilized                                                                                                                                                                                                                                                             |
| Application Notes | Application Notes: Western blot, 0.25-0.5 µg/ml, Human Immunohistochemistry(Paraffin-embedded Section), 2-5 µg/ml, Human, Mouse Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml |
