| Article Name               | Anti-N Cadherin/CDH2 Antibody, iFluor647, Rabbit, Polyclonal                                                                              |
| Biozol Catalog Number      | BYT-ORB2603180                                                                                                                            |
| Supplier Catalog Number    | orb2603180                                                                                                                                |
| Alternative Catalog Number | BYT-ORB2603180-100                                                                                                                        |
| Manufacturer               | Biorbyt                                                                                                                                   |
| Host                       | Rabbit                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                |
| Application                | ELISA, FC, ICC, IF, IHC, WB                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                         |
| Immunogen                  | E.coli-derived human N Cadherin/CDH2 recombinant protein (Position: E170-E266).                                                           |
| Conjugation                | iFluor647                                                                                                                                 |
| Product Description        | Anti-N Cadherin/CDH2 Antibody. Tested in ELISA, Flow Cytometry, IF, IHC, WB applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                                |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                 |
| Molecular Weight           | 150 kDa                                                                                                                                   |
| UniProt                    | <a href="#">P19022</a>                                                                                                                    |

|                   |                                                                                                                                                                                                                                                                                                                                                                                        |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Lyophilized                                                                                                                                                                                                                                                                                                                                                                            |
| Application Notes | Application Notes: Western blot, 0.25-0.5µg/ml, Human, Mouse, Rat Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml, Human Immunocytochemistry/Immunofluorescence, 5 µg/ml, Human Immunofluorescence, 5 µg/ml, Human Flow Cytometry (Fixed), 1-3µg/1x10 <sup>6</sup> cells, Human ELISA, 0.1-0.5µg/ml, -. Add 0.2ml of distilled water will yield a concentration of 500ug/ml |
