| Article Name               | Recombinant Klebsormidium bilatum Photosystem II reaction center protein H(psbH)                                                         |
| Biozol Catalog Number      | BYT-ORB2936666                                                                                                                           |
| Supplier Catalog Number    | orb2936666                                                                                                                               |
| Alternative Catalog Number | BYT-ORB2936666-20,BYT-ORB2936666-100                                                                                                     |
| Manufacturer               | Biorbyt                                                                                                                                  |
| Category                   | Proteine/Peptide                                                                                                                         |
| Product Description        | This Recombinant Klebsormidium bilatum Photosystem II reaction center protein H(psbH) spans the amino acid sequence from region 2-79.... |
| UniProt                    | <a href="#">Q71KN4</a>                                                                                                                   |
| Buffer                     | Tris/PBS-based buffer, 6% Trehalose, pH 8.0                                                                                              |
| Source                     | Klebsormidium bilatum (Filamentous green alga)                                                                                           |
| Form                       | Lyophilized powder                                                                                                                       |
| Sequence                   | ATKTLDQDPNKQRPGAAVSSVLKPLNAEYGKVPAGWGTTVLMGVFMALFAV<br>FLVIIILELY NASVLLDGVPVSWQSVQS                                                     |
| Application Notes          | Biological Origin: Klebsormidium bilatum (Filamentous green alga)                                                                        |
