| Article Name               | Recombinant Prochlorococcus marinus Photosystem II reaction center protein H(psbH)                                                         |
| Biozol Catalog Number      | BYT-ORB2937461                                                                                                                             |
| Supplier Catalog Number    | orb2937461                                                                                                                                 |
| Alternative Catalog Number | BYT-ORB2937461-20,BYT-ORB2937461-100                                                                                                       |
| Manufacturer               | Biorbyt                                                                                                                                    |
| Category                   | Proteine/Peptide                                                                                                                           |
| Product Description        | This Recombinant Prochlorococcus marinus Photosystem II reaction center protein H(psbH) spans the amino acid sequence from region 1-62.... |
| UniProt                    | <a href="#">Q7V4V2</a>                                                                                                                     |
| Buffer                     | Tris/PBS-based buffer, 6% Trehalose, pH 8.0                                                                                                |
| Source                     | Prochlorococcus marinus (strain MIT 9313)                                                                                                  |
| Form                       | Lyophilized powder                                                                                                                         |
| Sequence                   | MAQSTRLGNIKSLPGYAPGKVVPGWGTPVMAGIGFMLLIFLVITILQIYNQSL<br>LLQSIG FE                                                                         |
| Application Notes          | Biological Origin: Prochlorococcus marinus (strain MIT 9313)                                                                               |
