## Product Datasheet

### Recombinant CDV F/Fusion glycoprotein F0 Protein, C-His BYT-ORB2961385

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | Recombinant CDV F/Fusion glycoprotein F0 Protein, C-His                          |
| Biozol Catalog Number      | BYT-ORB2961385                                                                   |
| Supplier Catalog Number    | orb2961385                                                                       |
| Alternative Catalog Number | BYT-ORB2961385-50, BYT-ORB2961385-100, BYT-ORB2961385-1                          |
| Manufacturer               | Biorbyt                                                                          |
| Category                   | Proteine/Peptide                                                                 |
| Product Description        | Recombinant CDV F/Fusion glycoprotein F0 Protein, C-His...                       |
| Molecular Weight           | 54.45 kDa                                                                        |
| Buffer                     | Lyophilized from a solution in PBS pH 7.4, 1 mM EDTA, 4% Trehalose, 1% Mannitol. |
| Source                     | Canine distemper virus (strain Onderstepoort) (CDV)                              |
| Purity                     | >90% as determined by SDS-PAGE.                                                  |
| Form                       | Lyophilized                                                                      |
