## Product Datasheet

### **SARS-CoV-2 (2019-nCoV) Nucleocapsid Mouse mAb, Biotin conjugated, IgG2b, Clone: [7E1B], Monoclonal BYT-ORB2819821**

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Article Name               | SARS-CoV-2 (2019-nCoV) Nucleocapsid Mouse mAb, Biotin conjugated, IgG2b, Clone: [7E1B], Monoclonal |
| Biozol Catalog Number      | BYT-ORB2819821                                                                                     |
| Supplier Catalog Number    | orb2819821                                                                                         |
| Alternative Catalog Number | BYT-ORB2819821-100                                                                                 |
| Manufacturer               | Biorbyt                                                                                            |
| Host                       | Mouse                                                                                              |
| Category                   | Antikörper                                                                                         |
| Application                | WB                                                                                                 |
| Species Reactivity         | Virus                                                                                              |
| Immunogen                  | Recombinant SARS-CoV-2 Nucleocapsid Protei full length                                             |
| Conjugation                | Biotin                                                                                             |
| Product Description        | SARS-CoV-2 (2019-nCoV) Nucleocapsid Mouse mAb, Biotin conjugated...                                |
| Clonality                  | Monoclonal                                                                                         |
| Concentration              | 1 mg/ml                                                                                            |
| Clone Designation          | [7E1B]                                                                                             |
| Molecular Weight           | 46 kDa                                                                                             |

|                    |                                                                        |
|--------------------|------------------------------------------------------------------------|
| Isotype            | IgG2b                                                                  |
| Buffer             | 0.01M TBS (pH7.4) with 1% rAlbumin, 0.02% Proclin300 and 50% Glycerol. |
| Form               | Liquid                                                                 |
| Target             | S                                                                      |
| Application Dilute | WB=1:500-2000                                                          |
