## Product Datasheet

### **2,2,3,4,4,5,6,6-Octabromodiphenyl ether (13C12,99%) (BDE-204) 50 µg/mL in Nonane LGC-CIL-EO-5355**

|                            |                                                                                  |
|----------------------------|----------------------------------------------------------------------------------|
| Article Name               | 2,2,3,4,4,5,6,6-Octabromodiphenyl ether (13C12,99%) (BDE-204) 50 µg/mL in Nonane |
| Biozol Catalog Number      | LGC-CIL-EO-5355                                                                  |
| Supplier Catalog Number    | CIL-EO-5355                                                                      |
| Alternative Catalog Number | LGC-CIL-EO-5355                                                                  |
| Manufacturer               | CIL                                                                              |
| Category                   | Biochemikalien                                                                   |
| Molecular Weight           | 813.29                                                                           |
| Formula                    | 13C12 H2 Br8 O                                                                   |
