## Product Datasheet

### Hexamethylene bisacetamide, CAS [[3073-59-4]] AMO-M29877

|                            |                                                                      |
|----------------------------|----------------------------------------------------------------------|
| Article Name               | Hexamethylene bisacetamide, CAS [[3073-59-4]]                        |
| Biozol Catalog Number      | AMO-M29877                                                           |
| Supplier Catalog Number    | M29877                                                               |
| Alternative Catalog Number | AMO-M29877-10MG, AMO-M29877-25MG, AMO-M29877-50MG                    |
| Manufacturer               | Abmole Bioscience                                                    |
| Category                   | Biochemikalien                                                       |
| Product Description        | Hexamethylene bisacetamide is a tumor cell-differentiating agent.... |
| Molecular Weight           | 200.28                                                               |
| Purity                     | 99.0%                                                                |
| CAS Number                 | [3073-59-4]                                                          |
| Formula                    | C10H20N2O2                                                           |
