| Alternative Catalog Number | ABX656713-50UG,ABX656713-100UG,ABX656713-200UG,ABX656713-500UG,ABX656713-1MG                             |
| Manufacturer               | Abbexa                                                                                                   |
| Host                       | E. coli                                                                                                  |
| Category                   | Proteine/Peptide                                                                                         |
| Application                | SDS-PAGE, WB                                                                                             |
| Conjugation                | Unconjugated                                                                                             |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                       |
| Molecular Weight           | Calculated MW: 44.1 kDa Observed MW (SDS-PAGE): 44 kDa                                                   |
| NCBI                       | <a href="#">59272</a>                                                                                    |
| UniProt                    | <a href="#">Q9BYF1</a>                                                                                   |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300. |
| Expression System          | Recombinant                                                                                              |
| Purity                     | > 95%                                                                                                    |

|        |                                        |
|--------|----------------------------------------|
| Form   | Lyophilized                            |
| Target | Angiotensin-Converting Enzyme 2 (ACE2) |
