| Article Name               | TTF2 Antibody, Biotin, Rabbit, Polyclonal                                                                                                        |
| Biozol Catalog Number      | BYT-ORB3003468                                                                                                                                   |
| Supplier Catalog Number    | orb3003468                                                                                                                                       |
| Alternative Catalog Number | BYT-ORB3003468-100                                                                                                                               |
| Manufacturer               | Biorbyt                                                                                                                                          |
| Host                       | Rabbit                                                                                                                                           |
| Category                   | Antikörper                                                                                                                                       |
| Application                | ELISA, IHC, WB                                                                                                                                   |
| Species Reactivity         | Human, Mouse                                                                                                                                     |
| Immunogen                  | E.coli-derived human TTF2 recombinant protein (Position: D130-S1144). Human TTF2 shares 69.9% amino acid (aa) sequence identity with mouse TTF2. |
| Conjugation                | Biotin                                                                                                                                           |
| Product Description        | TTF2 Antibody...                                                                                                                                 |
| Clonality                  | Polyclonal                                                                                                                                       |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                        |
| Molecular Weight           | 130 kDa                                                                                                                                          |
| UniProt                    | <a href="#">Q9UNY4</a>                                                                                                                           |

|                   |                                                                                                                                                                                                                       |
|-------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Form              | Liquid                                                                                                                                                                                                                |
| Target            | Transcription termination factor 2                                                                                                                                                                                    |
| Application Notes | <p>Application Notes: Western blot, 0.25-0.5µg/ml</p> <p>Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml. Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml</p> |
