| Article Name               | Zebrafish CYP3A65 Antibody, APC, Rabbit, Polyclonal                        |
| Biozol Catalog Number      | BYT-ORB3003528                                                             |
| Supplier Catalog Number    | orb3003528                                                                 |
| Alternative Catalog Number | BYT-ORB3003528-100                                                         |
| Manufacturer               | Biorbyt                                                                    |
| Host                       | Rabbit                                                                     |
| Category                   | Antikörper                                                                 |
| Application                | IHC, WB                                                                    |
| Species Reactivity         | Zebrafish                                                                  |
| Immunogen                  | E.coli-derived Zebrafish CYP3A65 recombinant protein (Position: R48-S517). |
| Conjugation                | APC                                                                        |
| Product Description        | Zebrafish CYP3A65 Antibody...                                              |
| Clonality                  | Polyclonal                                                                 |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.  |
| Molecular Weight           | 59 kDa                                                                     |
| UniProt                    | <a href="#">Q32LT1</a>                                                     |
| Form                       | Liquid                                                                     |

|                   |                                                                                             |
|-------------------|---------------------------------------------------------------------------------------------|
| Target            | unspecific monooxygenase                                                                    |
| Application Notes | Application Notes: Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml |
