| Category                   | Antikörper                                                                                                            |
| Application                | ELISA, WB                                                                                                             |
| Species Reactivity         | Human                                                                                                                 |
| Conjugation                | Unconjugated                                                                                                          |
| Clonality                  | Polyclonal                                                                                                            |
| UniProt                    | <a href="#">Q12836</a>                                                                                                |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |
| Purity                     | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Form                       | Liquid                                                                                                                |
| Target                     | ZP4                                                                                                                   |
| Application Dilute         | WB:1:500-1:2000, ELISA:1:10000                                                                                        |
