| Biozol Catalog Number      | MCE-HY-178601                                                                         |
| Supplier Catalog Number    | HY-178601                                                                             |
| Alternative Catalog Number | MCE-HY-178601-1UNIT                                                                   |
| Manufacturer               | MedchemExpress                                                                        |
| Category                   | Biochemikalien                                                                        |
| Product Description        | O6-Me-GTP is a monomeric raw material that can be used for nucleic acid synthesis.... |
| Molecular Weight           | 537.21                                                                                |
| CAS Number                 | [99404-63-4]                                                                          |
| Formula                    | C11H18N5O14P3                                                                         |
| Target                     | Nucleoside Antimetabolite/Analog                                                      |
| Application Notes          | MCE Product type: Oligonucleotides                                                    |
