| Alternative Catalog Number | BOB-A00284T435-1-100UL                                                                                                                                                                |
| Manufacturer               | Boster Bio                                                                                                                                                                            |
| Host                       | Rabbit                                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                                            |
| Application                | ELISA, IF, IHC, IP, WB                                                                                                                                                                |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                                                                                                                                             |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human NF-kappaB p65 around the phosphorylation site of Thr435. AA range:402-451                                   |
| Product Description        | Boster Bio Anti-Phospho-N kappa-p65 (T435) RELA Antibody catalog A00284T435-1. Tested in WB, IHC, IF, IP, ELISA applications. This antibody reacts with Human, Mouse, Rat, Monkey.... |
| Clonality                  | Polyclonal                                                                                                                                                                            |
| Concentration              | 1 mg/ml                                                                                                                                                                               |
| Molecular Weight           | 60219 MW                                                                                                                                                                              |
| UniProt                    | <a href="#">Q04206</a>                                                                                                                                                                |

|                    |                                                                                  |
|--------------------|----------------------------------------------------------------------------------|
| Buffer             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.          |
| Form               | Liquid                                                                           |
| Application Dilute | WB 1:500-1:2000 IHC 1:100-1:300 IP 2-5 ug/mg lysate ELISA 1:20000<br>IF 1:50-200 |
