| Article Name               | Anti-Phospho-PDGFR-alpha (Y849) Antibody, Rabbit, Polyclonal                                                                                                         |
| Biozol Catalog Number      | BOB-A00366Y849-1                                                                                                                                                     |
| Supplier Catalog Number    | A00366Y849-1                                                                                                                                                         |
| Alternative Catalog Number | BOB-A00366Y849-1-100UL                                                                                                                                               |
| Manufacturer               | Boster Bio                                                                                                                                                           |
| Host                       | Rabbit                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                           |
| Application                | ELISA, IF, IHC, WB                                                                                                                                                   |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                    |
| Immunogen                  | The antiserum was produced against synthesized peptide derived from human PDGFRα around the phosphorylation site of Tyr849. AA range:816-865                         |
| Product Description        | Boster Bio Anti-Phospho-PDGFR-alpha (Y849) Antibody catalog A00366Y849-1. Tested in WB, IHC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Clonality                  | Polyclonal                                                                                                                                                           |
| Concentration              | 1 mg/ml                                                                                                                                                              |
| Molecular Weight           | 122670 MW                                                                                                                                                            |
| UniProt                    | <a href="#">P16234</a>                                                                                                                                               |

|                    |                                                                         |
|--------------------|-------------------------------------------------------------------------|
| Buffer             | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Form               | Liquid                                                                  |
| Application Dilute | WB 1:500-1:2000 IHC 1:100-1:300 ELISA 1:5000 IF 1:50-200                |
