## Product Datasheet

### **Anti-Cyclin E1/CCNE1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal** **BOB-A00543-2-FLUORO647**

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Anti-Cyclin E1/CCNE1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                             |
| Biozol Catalog Number      | BOB-A00543-2-FLUORO647                                                                                      |
| Supplier Catalog Number    | A00543-2-Fluoro647                                                                                          |
| Alternative Catalog Number | BOB-A00543-2-FLUORO647-100UG                                                                                |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC                                                                                                          |
| Species Reactivity         | Human, Mouse, Rat                                                                                           |
| Immunogen                  | E.coli-derived human Cyclin E1/CCNE1 recombinant protein (Position: R3-A386).                               |
| Clonality                  | Polyclonal                                                                                                  |
| NCBI                       | <a href="#">898</a>                                                                                         |
| UniProt                    | <a href="#">P24864</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |
| Form                       | Liquid                                                                                                      |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Target             | G1/S-specific cyclin-E1                       |
| Application Dilute | Flow Cytometry, 1-3μg/1x10 <sup>6</sup> cells |
