| Application                | ELISA, WB                                                                                                                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                  | E.coli-derived human ADAMTS13 recombinant protein (Position: D298-T1427).                                                                                                                                                                                    |
| Product Description        | Boster Bio Anti-ADAMTS13 Antibody Picoband catalog A00586-1. Tested in ELISA, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and ... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 154 kDa                                                                                                                                                                                                                           |
| NCBI                       | <a href="#">11093</a>                                                                                                                                                                                                                                        |

|                    |                                                                                           |
|--------------------|-------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q76LX8</a>                                                                    |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Purity             | Immunogen affinity purified.                                                              |
| Form               | Lyophilized                                                                               |
| Target             | A disintegrin and metalloproteinase with thrombospondin motifs 13                         |
| Application Dilute | Western blot, 0.25-0.5 µg/ml, Mouse, Rat ELISA, 0.1-0.5 µg/ml, -                          |
