| Alternative Catalog Number | BOB-A00593-1-PE-100UG                                                                                                                                                                    |
| Manufacturer               | Boster Bio                                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                                                   |
| Category                   | Antikörper                                                                                                                                                                               |
| Application                | FC                                                                                                                                                                                       |
| Species Reactivity         | Human                                                                                                                                                                                    |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the N-terminus of human GATA3, which shares 86.4% and 90.9% amino acid (aa) sequence identity with mouse and rat GATA3, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                               |
| NCBI                       | <a href="#">2625</a>                                                                                                                                                                     |
| UniProt                    | <a href="#">P23771</a>                                                                                                                                                                   |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                             |
| Purity                     | Immunogen affinity purified.                                                                                                                                                             |
| Form                       | Liquid                                                                                                                                                                                   |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Target             | Trans-acting T-cell-specific transcription factor GATA-3 |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells            |
