| Article Name               | Anti-TIM 3/HAVCR2 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                   |
| Biozol Catalog Number      | BOB-A00657-1-BIOTIN                                                                                         |
| Supplier Catalog Number    | A00657-1-Biotin                                                                                             |
| Alternative Catalog Number | BOB-A00657-1-BIOTIN-100UG                                                                                   |
| Manufacturer               | Boster Bio                                                                                                  |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | ELISA, IHC, WB                                                                                              |
| Species Reactivity         | Human                                                                                                       |
| Immunogen                  | E. coli-derived human TIM 3 recombinant protein (Position: S22-G202).                                       |
| Clonality                  | Polyclonal                                                                                                  |
| Molecular Weight           | Calculated Molecular Weight: 74585 MW                                                                       |
| NCBI                       | <a href="#">84868</a>                                                                                       |
| UniProt                    | <a href="#">Q8TDQ0</a>                                                                                      |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Purity                     | Immunogen affinity purified.                                                                                |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                     |
| Target             | Hepatitis A virus cellular receptor 2                                                                      |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
