| Article Name               | Anti-FOXM1 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                                                |
| Biozol Catalog Number      | BOB-A00659-3-BIOTIN                                                                                                                                                               |
| Supplier Catalog Number    | A00659-3-Biotin                                                                                                                                                                   |
| Alternative Catalog Number | BOB-A00659-3-BIOTIN-100UG                                                                                                                                                         |
| Manufacturer               | Boster Bio                                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                                        |
| Application                | ELISA, IHC, WB                                                                                                                                                                    |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                  | E.coli-derived human FOXM1 recombinant protein (Position: K48-Q763). Human FOXM1 shares 78.9% and 81.1% amino acid (aa) sequence identity with mouse and rat FOXM1, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                        |
| NCBI                       | <a href="#">2305</a>                                                                                                                                                              |
| UniProt                    | <a href="#">Q08050</a>                                                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                                                      |
| Form                       | Liquid                                                                                                                                                                            |

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Target             | Forkhead box protein M1                                                                                    |
| Application Dilute | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
