| Article Name               | Anti-IL21R Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                                             |
| Biozol Catalog Number      | BOB-A00808-1-FLUORO488                                                                                                                                            |
| Supplier Catalog Number    | A00808-1-Fluoro488                                                                                                                                                |
| Alternative Catalog Number | BOB-A00808-1-FLUORO488-100UG                                                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                        |
| Application                | FC                                                                                                                                                                |
| Species Reactivity         | Human                                                                                                                                                             |
| Immunogen                  | A synthetic peptide corresponding to a sequence in the middle region of human IL21R. Human IL21R shares 78.6% amino acid (aa) sequence identity with mouse IL21R. |
| Clonality                  | Polyclonal                                                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 59 kDa                                                                                                                               |
| NCBI                       | <a href="#">50615</a>                                                                                                                                             |
| UniProt                    | <a href="#">Q9HBE5</a>                                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                                      |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Interleukin-21 receptor                       |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
