| Article Name               | Anti-Fibrinogen alpha chain/FGA Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                   |
| Biozol Catalog Number      | BOB-A00816-1-APC                                                                                                                                       |
| Supplier Catalog Number    | A00816-1-APC                                                                                                                                           |
| Alternative Catalog Number | BOB-A00816-1-APC-100UG                                                                                                                                 |
| Manufacturer               | Boster Bio                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                             |
| Application                | FC                                                                                                                                                     |
| Species Reactivity         | Human, Rat                                                                                                                                             |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human FGA, different from the related mouse and rat sequences by two amino acids. |
| Clonality                  | Polyclonal                                                                                                                                             |
| Molecular Weight           | Calculated Molecular Weight: 94973 MW                                                                                                                  |
| NCBI                       | <a href="#">2243</a>                                                                                                                                   |
| UniProt                    | <a href="#">P02671</a>                                                                                                                                 |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                           |

|                    |                                                                                 |
|--------------------|---------------------------------------------------------------------------------|
| Purity             | Immunogen affinity purified.                                                    |
| Form               | Liquid                                                                          |
| Target             | Fibrinogen alpha chain [Cleaved into: Fibrinopeptide A, Fibrinogen alpha chain] |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                                   |
