| Article Name               | Anti-CFP Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                               |
| Biozol Catalog Number      | BOB-A00852-2-FLUORO550                                                                                                                                            |
| Supplier Catalog Number    | A00852-2-Fluoro550                                                                                                                                                |
| Alternative Catalog Number | BOB-A00852-2-FLUORO550-100UG                                                                                                                                      |
| Manufacturer               | Boster Bio                                                                                                                                                        |
| Host                       | Rabbit                                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                                        |
| Application                | FC                                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                 |
| Immunogen                  | A synthetic peptide corresponding to a sequence at the C-terminus of human CFP, which shares 86.1% amino acid (aa) sequence identity with both mouse and rat CFP. |
| Clonality                  | Polyclonal                                                                                                                                                        |
| Molecular Weight           | Calculated Molecular Weight: 55914 MW                                                                                                                             |
| NCBI                       | <a href="#">5199</a>                                                                                                                                              |
| UniProt                    | <a href="#">P27918</a>                                                                                                                                            |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                       |
| Purity                     | Immunogen affinity purified.                                                                                                                                      |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Form               | Liquid                                        |
| Target             | Properdin                                     |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
