| Species Reactivity         | Human, Rat                                                                                                                                                                                                                                                   |
| Immunogen                  | E. coli-derived human DYRK1A recombinant protein (Position: H38-M269).                                                                                                                                                                                       |
| Product Description        | Boster Bio Anti-DYRK1A Antibody Picoband catalog A00878-1. Tested in ELISA, WB applications. This antibody reacts with Human, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong si... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                   |
| Concentration              | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molecular Weight           | Observed Molecular Weight: 86kDa. Calculated Molecular Weight: 86kDa                                                                                                                                                                                         |
| NCBI                       | <a href="#">1859</a>                                                                                                                                                                                                                                         |

|                    |                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------|
| UniProt            | <a href="#">Q13627</a>                                                                       |
| Buffer             | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Purity             | Immunogen affinity purified.                                                                 |
| Form               | Lyophilized                                                                                  |
| Target             | Dual specificity tyrosine-phosphorylation-regulated kinase 1A                                |
| Application Dilute | Western blot, 0.1-0.5µg/ml, Human, Rat ELISA, 0.1-0.5µg/ml                                   |
