| Article Name               | Anti-Ceacam1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                                 |
| Biozol Catalog Number      | BOB-A00923-3-FLUORO594                                                                                                                                                                  |
| Supplier Catalog Number    | A00923-3-Fluoro594                                                                                                                                                                      |
| Alternative Catalog Number | BOB-A00923-3-FLUORO594-100UG                                                                                                                                                            |
| Manufacturer               | Boster Bio                                                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                                                                  |
| Category                   | Antikörper                                                                                                                                                                              |
| Application                | FC                                                                                                                                                                                      |
| Species Reactivity         | Mouse, Rat                                                                                                                                                                              |
| Immunogen                  | E.coli-derived mouse Ceacam1 recombinant protein (Position: A34-D382). Mouse Ceacam1 shares 55.5% and 68.8% amino acid (aa) sequence identity with human and rat Ceacam1, respectively. |
| Clonality                  | Polyclonal                                                                                                                                                                              |
| Molecular Weight           | Calculated Molecular Weight: 57,50,37,30 kDa                                                                                                                                            |
| NCBI                       | <a href="#">26365</a>                                                                                                                                                                   |
| UniProt                    | <a href="#">P31809</a>                                                                                                                                                                  |
| Buffer                     | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                             |

|                    |                                               |
|--------------------|-----------------------------------------------|
| Purity             | Immunogen affinity purified.                  |
| Form               | Liquid                                        |
| Target             | Cell adhesion molecule CEACAM1                |
| Application Dilute | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
